

# The English Practice

Reach your potential

‘The English Practice’ is delighted to announce their first ‘Saturday Seminar’ which is aimed at teachers and parents who would like to explore possible reasons why children and teenagers may find school difficult, with the result that they do not reach their full potential.

## Unleash potential : help children succeed at school

- ✓ Discover major barriers to academic success
- ✓ Understand the cognitive skills underpinning learning
- ✓ Appreciate how strengths can balance weaknesses
- ✓ Master classroom strategies to support all learning styles
- ✓ Understand important advances in brain training
